

MAPPING THE DESIGN WORLD — CAHIER 2 is published on the occasion of MAX BORKA's exhibition MAPPING TOOLBOX at the WALKING CHAIR Gallery, Vienna in October 2013.

Since 2006 we have been inviting artists to present their design related works in our studio based gallery.

Max Borka, we like your art, attitude and anarchy.  
Wir lieben Design: Unseres und Anderes.

Fidel Peugeot & Karl Emilio Pircher
